Our New High School Building

Our new building or rather a part of it! Maybe someday it will be complete, but anyhow we got to go in part of it for one year of our High School days. Here's hoping that the future C.H.H.S.'ers will walk through a complete school.

We Co-Dedicate

To Mrs. Carlene G. Meyers

To show our appreciation for her kindness,
friendship, and never-failing help throughout
our High School days.

Our Hilllife

To Miss Janice Jones

To show our appreciation for her inspiration, cooperation, and faithful guidance throughout our High School days.

Class Poem

There are memories that fade in the distant past,
And memories that linger on;
There are friendships that grow with the years,
And friendships that are soon gone.

Through life, by us, they will stand,
But by one mistake we can lose them all.
Will we stand on our honors through thick and thin
Or yield to temptation, and fall?

The roads are ours, which shall we take?
Which shall we choose?
Can we hold to our word, no matter the cost
Or go back to our trust and lose?

Our future's foundation is laid out
By the things we do and say,
We can be like a rock, standing firm and fast,
Or like sand, and be washed away.

Can we rise from misfortune when all seems lost
And build up our hopes again,
Through all of our hardships kept established in purpose
And not lose our heads when we win?

This worn out world is depending on us,
For the coming of the next great day—
A world that needs our guidance and strength,
A world that is now wasting away.

Class History

On September 6, 1944, our class became freshmen in high school. This was one of the best years of our lives not only because we were finally in high school but we made new friends, all coming from Carrboro, Chapel Hill, and White Cross schools, who were to be with us through the best of our years in high school. Helen Jane Wettach was president of the Student Council and we got our first taste of Student Government and had our representatives to the council. Robert Brooks was elected president of our class for the first year. During this year the school cafeteria was reopened to the high school students for the first time since the fire which burned the high school building. The Civil Air Patrol was organized for the first time in Chapel Hill, and although we weren't old enough to join we got much pleasure out of watching the group work. The first annual Proconival was held during our Freshman year, and gave us something on the social side to look forward to in our remaining year. A Career Day was held in the school and we were given an opportunity to discuss with others our plans for the future. Mr. Honeycutt was with us for the last time this year and when the school year ended we were all left wondering what Mr. Davis, our new superintendent, would be like.

On entering school our Sophomore year we met our new superintendent, Mr. C. W. Davis. Many things were changed in the school this year and we all buckled down to real work. Houston Teague was president of the Student Council and our class president was Janet Ellington. Mr. Lawrence E. Pittman organized the Athletic Association to take care of all matters pertaining to athletics. The new skating rink was built behind the Elementary school, and plans were started for the new school building. Under Mr. Davis we had our first mid-term exams and although we thought they were rough it really made it easy on us when time for the finals came. This year for the first time in Chapel Hill, "Teen Town" day was held. On this day we had our Mayor and other city officers to take over for an hour in the Town Hall. The first High School Glee Club, since the fire, was organized with Mrs. Jane Ishee as director.

Our Junior year began with the election of Mike Hendren as our class president. Smitty Lineberger was president of the Student Council this year, and two members of our class were officers of the council also. The Teen-Age Club was organized in our junior year and many other clubs were added to the few which had already been started. Mrs. Inez Chapman replaced Mrs. Ishee as the Glee Club director and the girls won a number one rating in the district contest and went to Greensboro to the State contest. Our class sponsored two large social functions, the Valentine Ball with the crowning of Ester Cheek as queen and the Junior-Senior banquet which was a very successful one. The biggest high-light of the year came when we moved into the new wing of the new building about two months before school was out.

We entered our senior year with great anticipation. This year was our last and we tried to do many things for the school and the classes to come. Neal Creighton was president of the Student Council and again two more of our class mates held offices of the council. Robert Brooks was elected president of our class. We held a big drive to get money to reopen our Recreation Center which had been closed because of the lack of funds on which to run. Mr. Cecil Longest organized the Monogram Club and all persons holding a monogram were allowed to become members. Much of this year was spent making preparations for graduation in the spring.

DOT HOGAN, *Class Historian*

Senior Prophecy

"This is a great day, folks, here at Cone House Downs,—for the class of '48 is gathered for their 23rd reunion! Ah—It's almost time to begin folks. Here is the radio announcer everybody knows—Mr. Freddie Merritt! Mr. Merritt, The mike is all yours."

"Friends, students, and great-grandparents, lend me your ears. As we look around Cone House Downs, we see that great basketball coach, Lawrence Cheek and with him is his lovely fiancée, the incomparable P.D., America's No. 1 torch singer who is now featured at the famous night club, Hillview. Talking to Coach Cheek and P.D. are John Boone, the All-American Football player of 1950, and one of his great grandchildren.

"Glancing over to the west end of the track—Ah—I mean field, we see the famous personage of Lou Wootten, head of the firm, Wootten, Wootten and Pendergraft, Photographers. With her is the brilliant pianist, Madeline Jennings. And you remember Dot Sloan, folks. The dramatic star of "The Fude in the Sun" or better known as "Feuding, Fighting and a Fussing." Talking to Miss Sloan is the world's funniest comedian, Mary Deane (Doodle) Williams. And in the striking blue ensemble is Miss Jeanne Vashaw, the world-renowned Paris designer.

"Standing over in the corner talking to Robert Brooks, the 33rd President of Vassar is Dean of Chemistry, Nancy Cheek, who won the 1952 P.U. Van Smellic Prize for her outstanding work in Chemistry. With Dean Cheek is the new modern artist, Nancy Young.

"Over at the east end of the track—I mean field—talking to Phyllis (Hosenose) Ferguson, still trying to get in stories for the *Proconian* (she finally graduated last year) are the singing sensations of the nation, Misses Helen Thompson and Jessie Ward.

"And just getting on the track-oh-field, in the horse and buggy is Bob Farrell, the famous horse racer. I see that he has brought the world's fastest typist with him, Miss Frances Durham. Now they've stopped to talk to Miss Durham's rival, Miss Madeline Copeland. I hear there is to be a contest between them soon.

"Thomas Harrison and Needham Layton, Orange County's prize farmers, brought two of their pigs for the barbecue this afternoon. And I believe that Joyce Clark and Janet Ellington, the famous dietitians, have made the barbecue and planned the rest of the menu.

"Heard the other day that Colleen Hackney and Joyce Boone have bought the Long and Short Circus and they seem to be doing quite well. Don't tell anybody but Edna Womble, owner of Hillview, is the silent partner—silent, that is. Also Karin Jones was working in the show as "The Little Woman Who Wasn't There."

Bernice Fawthrop's teeth are a shining example that she practices what she preaches (as a dentist, that is). She's over there in the grandstand, I mean the balcony, talking to the "Face All America Koons," Ruth Sturdivant.

"Jack Cohen is still writing for the new *Carolina Mag.* He's over there talking to Neal Creighton, who turned out to be a policeman.

"Heard that Dot Hogan was coaching a swimming team for Harvard. Wonder how she's made out? She and J. W. Duke (pronounced Dook), pardon—Dr. J. W. Duke, who turned out to be a veterinarian (dog doctor—that is) are conversing (Get that big word, will you!) with Kathy Hogan. She's a ped—pedi—anyway—she's a baby doctor.

"Myrtis Williams went into the Diaper Service. She's over there with the famous coiffeuriers, Dot Perry and Sue Partin. All are doing a thriving business so I hear."

"The Pangee Lipstick Company is now run by Mlle. Pearl Smith. Talking with Mlle. Smith is the Square Dance Queen, Jewel Merritt. By the way—she said to tell you there'd be a square dance after the barbecue!

Oh, yes—Cecil Riley and Clyde Young. They're truck farmers. You know what a truck farmer is—one who farms on a truck. Talking about trucks and cars, did you know Roy Ray drove a taxi now? Gonna inherit it someday.

"Everybody's heard of the famous Slamagon Madle's—Well, today we have one right in our midst. Miss Betty Jean Ivy. She brought a friend from New York, her press agent—none other than Miss Marion Moore. Miss Ivy, under the direction of Miss Moore—has modeled for Carter's Fashion Center here in Chapel Hill (Jane Carter, that is).

"Did you all know that Lois Whitt became famous when she jitterbuged at Timbustor! Norma Neville really turned out to be a journalist in New York.

"Sharon Pendergraph turned out to be an English teacher and did you know that Jo Bissell really turned out to be a doctor.

"Now—folks—Let's eat!! I'm hungry. Aren't you? (Never heard of a senior that wasn't. Have you?)"

Girls' Basketball

This year the girls' basketball team didn't have the record of last year, but just the same, the spirit was better than ever.

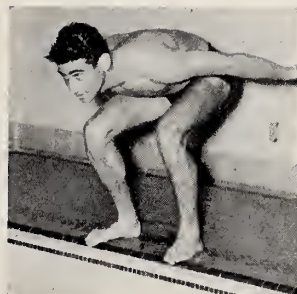

The team, coached by Hardy Henry, was built around five returning letterwomen: Dot Hogan, Phyllis Ferguson, Gloria Wherry, Ann Abernathy and Katie Thompson. To these five were added Dot Durham and Jane Webb. The other girls that went out for the squad were all promising material for future CHHS teams.

Meeting Sanford for the first time, the Kittens were defeated by a fast Sanford quintet, only to beat them on a return visit to the Hill by a score of 24 to 14. The Kittens then played Siler City and bowed to the lassies from there on both occasions. Upon playing Bells High School, the Kittens won that contest. (The return game was snowed out!) The quintet of Roxboro downed the CHHSers on both encounters. Then the Kittens met Methodist Orphanage and kept the score close. The team fought to the very end, but just couldn't keep the other team down.

Although losing three of the first string, the team has plenty to look forward to next year.

The team was fortunate in having Hardy Henry coaching them. Assisting Coach Henry was Mrs. Helen Blair, history and science teacher of CHHS.

Swimming Team

Swimming again was an organized sport in CHHS during 1948. Missing three outstanding swimmers from last season, the team was built around five lettermen and six new participants. On February 20 Charlotte won over an undefeated state championship team, 46-20. The following day nosed out a fourth place over the local "catfish" in a field of ten teams in the annual Southern Interscholastic Championship, in Bowman Gray Memorial Pool. The rest of the schedule included Greensboro, Carolina Jayvees, State Jayvees, and the Duke State Championship in late March.

Coached by Sam McCauley, 1947 Southern Conference distance star for UNC, the team worked out in the University pool every afternoon including Sunday. Co-captains were Bill Foister and Jack Cohen. Coach McCauley and the rest of the team are looking forward to another state crown.

Baseball

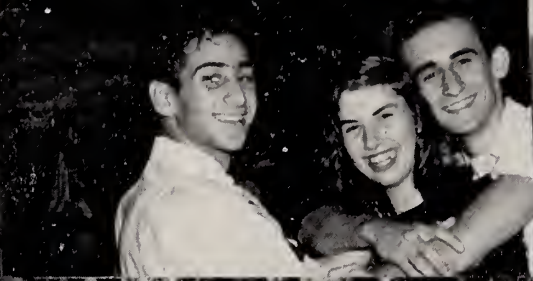

Head Coach, LONGEST

The 1948 baseball season opened in the early part of March by having a large number of boys reporting for practice. The "Wildcats," last year's conference winners, had almost a complete team of lettermen returning to try for their old positions. Although last year's team was back there were positions open and the returning lettermen had to work to earn their old positions again this year.

Lettermen returning from last year are as follows: Bill Butler, catcher; Stanley Johnson, pitcher; Tommy Gravitt, pitcher; Ivalee Hill, pitcher; Russell Perry, first base; Lawrence Cheek, second base; Collier Hill, third base; Bob Farrell, left field; Hilbert Williams, right field. Open positions were at shortstop and center field.

The "Wildcats" will be making a crack at the title as winners of the North Central Conference again this year for the second consecutive time.

Scores and lineups at the time that the annual went to press were not available.

The Athletic Association did a number of things to improve the sports and equipment of C.H.H.S. (including glassing the floor of the Tin Can again!) with the help of Mr. "Shorty" Longest, the overworked faculty adviser. The officers and the A. A. homeroom representatives, led by Pres. John "Chug" Boone, pushed (Yo-Heave-Ho) the sale of athletic tickets. Everybody got mad at Ann and Katie for taking up tickets when their tickets had somehow gotten lost! Lawrence loafed and wandered around to each hole in the fence and helped people come in instead of keeping them out! Poor Mr. Longest smoked himself to death worrying about the ticket sales and things in general.

As in Philadelphia, where everyone reads the *Bulletin*, faithful CHHS students anxiously await delivery of the *Proconian* to the homerooms each Friday morning. In its 18th year of publication the school paper brings news, personalities, sports and features to townspeople and former students and alumni as well as to the student body. Next year the paper might expand, although it might have to give up its fame as one of the few high school printed weeklies in the state.

Finis

On an October day the Class of '48 chose their *Hillife* staff for this, the year we had all looked forward to; it was time for us to publish and leave behind that almighty book *The Hillife*. The staff, under the supervision of Editor Robert Brooks and Adviser Miss Rubyleigh Davis were off!!! The theme was decided and senior superlatives, club, and homeroom pictures were taken mostly by Bill Foister, the first junior to serve on the staff. The goal was set at January 6 and it was met.

Well, at long last we present you with "Our Book." We have worked hard and we feel that we have accomplished something. As the last page went to press Miss Davis went into a dead faint while the rest of us breathed a sigh of relief and exclaimed "The Class of '48 has done it again!"

When you go near the auditorium in the Elementary School Building around fourth period be sure you use the old railroad slogan, "Stop, Look, and Listen." Stop outside the door, look—see fifty-two girls intently and earnestly vocalizing, and listen to the squawks and screams that are the sopranos, the whispering of the seconds, and blasting and grating of the altos. But truly these are only the beginnings. When the real performance comes along those gals are in there pitching.

The Christmas concert was a big success. The first performance was tentative, but the second one went over with a bang! Our spring concert also was given with the boys.

Under the watchful "ear" of Mrs. Inez Chapman some thirty-five "Perry Comos, Sinatras, Crosbys and John Charles Thomases" blended their voices together to form a Glee Club. "Lifting that barge, and totin that bale," Mrs. Chapman succeeded in organizing her highest hope—a male chorus. The boys sang together with the girls' club in a Christmas program and they participated in a state-wide contest this spring in Raleigh.

The "virtuosos" first learned Negro spirituals and later modern and popular songs, with some arrangements by Fred Waring, including the human xylophone, "Dry Bones."

The club met every Wednesday and Friday in the school auditorium during home-room period.

Were you a member of the Library Club? If not, you should at some time in your high school days become a member. It's really full of fun.

The Library Club has been very active this year under the leadership of President Bill Bland and Mrs. Peacock. Several of the members have assisted Mrs. Peacock in filing magazines, checking out books and planning the bulletin boards.

In the fall, "Katie" Thompson and Peggy Maynard attended the Library Conference in Winston-Salem.

Of course this club had its social events and entertainment—parties, Christmas caroling, and club programs.

F.H.A. Club

With our theme for the year being, "To Make Ourselves More Prepared for the Future," the Future Homemakers really had a successful year.

Our annual "Initiation Day" provided much amusement to the whole school—and I might add, town.

Fixing baskets for a needy family at Thanksgiving, and participating in the World Christmas Festival were two of the worthwhile projects which were undertaken.

One of the outstanding privileges of being in the F. H. A. is that of meeting girls from all over the state at district rallies, state rallies, and at camp in the summer.

F. H. A. Club

Third row, left to right: Shelton Merritt, Bill Butler, Hilbert Williams, Warren Sparrow, Ernest Brockwell.

Future Farmers of America

The F. F. A. was organized this year under the able leadership of Mr. C. K. McAdams.

The purpose of the organization of the club is to bring together the boys who are interested in agriculture. The club entered many federation contests and came out winner with the most of them. It is not all work in the F.F.A. Parties and socials are held from time to time, and the boys have organized a basketball team and are planning to play several teams in the adjoining communities.

Tradition has held once again as the Y-Teens found lots of fun in service work and

in planning social functions at weekly Wednesday night meetings. In the service line, Thanksgiving baskets were given to needy families by the club; at Christmas, toys were collected; many times during the year the club was called on to help in worthwhile community activities. The New Year's Eve Dance was certainly a success and the Spring Girl Break Dance was helped along by this being leap year. Both were memorable occasions. Presided over by our able president, Dot Sloan, we had all this and joint meetings with the Hi-Y, too!!

Junior Y-Teen Club

Fourth row, left to right: Beth Lloyd, Eleanor Wagner, Jean Caldwell.

Junior Y-Teen

Although again this year this club was composed of a small group, it performed many worthwhile services, and its members enjoyed several large social functions. Delegates were sent to a State Convention in Raleigh. On club programs, hobbies were discussed and speakers who had recently spent some time in Europe delivered interesting lectures. Thanksgiving baskets and European packages were collected. The seasonal New Year's Eve Dance and Spring Girl Break Dance (with the Senior Club) were a tremendous success. Christmas caroling and a hayride marked the other outstanding social events. Several meetings with the Hi-Y were "arranged" by President Jane Berryhill.

Fourth row, left to right: Stanley Johnson, Lawrence Cheek, John Jernigan, Bobby Buckner.*

Hi-Y

"Will the meeting please come to order? Come on, boys, let's keep it down to a college roar. We'll never get anything done this way." "I move we adjourn." "I second the motion." "Oh, shudd up." "Let's have a hayride." "It's too cold." "That doesn't matter. Let's have a dance then." "Okay, you do all the work and I'll come." "Where's Don?" "He's out with Carlyle?" "She's in Florida." "Let's go, it's time for the game to start." "Okay, hey Creighton, ya got ya car?" "No, it broke down."

This is a short preview of what goes on every Wednesday night at the "Y." A very active club made up of 18 enthusiastic and hard working boys and Kimsey King.

4-H Club

First row, left to right: Clyde Young, Dot Hogan, Helen Thompson, Barbara Andrews, Joyce Clark.

Second row, left to right: Nancy Cheek, Madeline Copeland, Eloise Maddry, Betty Jean Earnhardt, Jane Cate, Billie Suitt.

Third row, left to right: Fay Hogan, Myrtle Young, Sue Pendergrass, Gay Hogan, Imogene Thompson, Doris Yow.

Fourth row, left to right: Franklin Whitfield, Milton Cheek, Donald Lloyd, Jimmy King, Wade Whitfield, Garland Neville.

Absent: Frances Durham.

As the name implies, our 4-H Club work concerns the 4 H's, the heart, hand, health, and head. This is the pledge taken by the club members. I pledge:

My Head to clearer thinking;
My Heart to greater loyalty;
My Hands to larger service, and
My Health to better living for
My Club, my Community, and my Country.

"To make the best better," is the motto of our 4-H Club.

The girls and boys have certain projects such as gardening, raising poultry or livestock, food preparation, food preservation, clothing, room improvement, and frozen foods. Every 4-H Club member does his part to try to live by and uphold the ideals of 4-H Club work and do everything he can to strengthen it in his community.

Most of the Chapel Hill High School 4-H Club participated in the achievement day held in Hillsboro this spring. The club had a Christmas party where everyone had lots of fun.

French Club

First row, left to right: Eloise Fogleman, Carrie Wherry, Jeanette Sloan, Jane Webb, Betty Heath, Peggy Maynard.

Second row, left to right: John Earnhardt, Mary Kellam, Joyce Williams, Mary Lou Wootten, Nancy Blocksidge, Marie Johnson.

Third row, left to right: Jerry Schultz, Betsy Teague, Jane Cate, Jean Caldwell, Jan LeClair.

Fourth row, left to right: Tommy Gardner, Josie May Hardee, Norma Neville, Ann Abernathy, Sally Jente, Clara Jo Riggsbee.

Fifth row, left to right: Martha Caldwell, Janet Green, Barbara Garrett, Sara Nesbitt, Myrtle Young, Mrs. Stout.

A hangover from French classes was started for the first time this year. Ce n'était pas mauvais! We actually had to speak nothing but French at some of the meetings!! We sang songs in French, saw movies in French, heard speakers in English, and learned about France. As we say in France, au revoir. Finis.

Latin Club

First row, left to right: Bob Heath, George McGinty, Barbara Cline, Bob Linker, Janet Merritt.

Second row, left to right: Herman Husband, Mildred Wright, Joyce Feather, Ann Farrell, Barbara Bynum, Peggy Jo Brockwell.

Third row, left to right: Joel Hackney, Doris Alexander, Carol Hunt.

Fourth row, left to right: Miss Ola Andrews, Ralph Boggs, Ed Johnson, Richard Vaughn.

The Latin Club

"Latin isn't dead yet," 'cause look at this eighteen some people looking very intelligent—you know—along the line of Latin.

The little lady in the middle of the front row is Barbara Cline, president of the Latin Club. The

men that help her are Vice-President George McGinty on her left, Secretary Bob Linker on her right, Treasurer Bob Heath next to George Ralph Boggs who is Chaplain, slipped up to the back row. "Vincit quise vincit" is their motto, in English meaning "He who conquers must first conquer himself."

Spelling bees, reports, singing and projects keep this little group very much alive—just look at them!

Dramatic Club

First row, left to right: Patsy Sherrill, Patsy Ellinger, Ann Woodard, Jane Cate, Dana Phipps, Betty Heath.

Second row, left to right: Mary K. Hogan, Dionne Westerfield, Eleanor Saunders, Mary Kellam, Beth Lloyd, Martha Caldwell.

Third row, left to right: Johnsie Bennett, Jane Webb, Jane Berryhill.

Fourth row, left to right: John Jernigan, Margaret Hayes, Stanley Johnson, Dan Olsen.

Fifth row, left to right: Vivian McPherson, Pat Webb.

Absent: Dot Hogan.

The Dramatic Club, under direction of Mrs. Bernadine Sullivan, faculty adviser, met on Monday mornings during homeroom periods. The purpose of the club was to give the students a chance to get some training in dramatics. During the year they had students and Play-makers from the University to come in and give them help in reading parts of plays for relaxation and vocal training. They also had guest speakers to talk on different parts of the theatre and acting in general.

Camera Club

First row, left to right: Bobby Wherry, Charles Wolfe, Dionne Westerfield, R. B. Fitch, Jr., Patsy Sherrill, Ronald Shearin, Jerry Schultz.

Second row, left to right: Sam Blackwood, Sam Emory, Don Vance, Bobby Heath, Mrs. McKinnon.

The Camera Club

For the first time, this year, Chapel Hill High School had a Camera Club. This club is made up of Freshmen only.

The club, headed by Jerry Schultz, president, made a very good start for a new club. They developed their films on the upper floor of the Cone Building in a dark room. This group did well by learning the arts of retouching, developing, and contact printing. All the negatives they worked on were volunteered. Among some of their activities were the developing and enlarging of some negatives for the *Proconian*.

During the year, Doctor Andrews of the Medical School gave the club an interesting talk on "How Silver Salts Act in Photography."

Their adviser was Mrs. McKinnon.

Cheerleaders

Left to right: Boots Hampton, Ruth Benson, Dana Phipps, Dot Hogan (head cheerleader), Janet Ellington, Sue Moore, Tollie Hagood, Ann Woodard.

Cheerleaders

For the first time in years our cheerleaders were chosen by try-outs instead of elections. From these try-outs came eight cheerleaders who opened the year with a bang by bringing with them new and jazzy yells, by wearing new uniforms, and by giving the school a mascot, Yates Tilson. With these inspirations the school spirit was lifted to new heights.

Office Staff

*First row, left to right: Eloise Fogleman, Mrs. Myers, Ann Abernathy.
Second row, left to right: Betty June Collins, Yvonne Plummer, Myrtis Williams.*

Running errands for Mrs. Myers, answering the office telephone, taking office announcements to classes make what is probably the hardest work of the Office Staff. Members of the group volunteer their study hall time to assist with the many little jobs that are necessary to keep the office functioning smoothly. It is probably the least known, but the hardest working organization of all the activities.

DURING the next six years, half a million teaching positions will be available in the United States. Thousands of men and women are needed to replace inadequately prepared teachers now in the schools, to fill the vacancies caused by normal turnover, and to meet the needs of the five million additional children born during wartime. There is a need for elementary and high school teachers, college instructors, principals, superintendents, and educational specialists of every kind.

Now you know the law of supply and demand. When your kind of training and

ability are *needed*, offers for it are made more and more attractive.

That is what's happening in the teaching profession. Many communities are taking steps to improve their local school conditions—some are granting salary increases—some states are establishing definite minimum salaries for teachers.

The ability to teach is a special gift, a valued talent, and no profession provides greater personal satisfaction than teaching. If you are a "born teacher"—make your decision now to join this honored profession. For "Our Teachers Mold Our Nation's Future," and America's future has need of *you*.
